Ohio's #1 Scholastic Chess Program

Over the past 25 years, Jim Van Vorhis has taught chess to over a thousand students, emphasizing patience and concentration while introducing the world's most popular board game. Campers are taught problem solving techniques and critical thinking skills through exercises in pattern recognition and chess puzzles. Since 1989, Jim and his staff have produced 2 nationally ranked elementary chess teams and have won over 30 state titles and championships. "Coach V." is founder and current director of Great Lakes Chess, LLC.

Montessori Chess Camp

The 2016 Montessori Chess Camp is a half-day (9 AM-12 Noon) full week (Monday-Friday), camp that will provide chess lessons at various playing levels, which focus on tactics and strategy designed to improve skills in nearly every facet of the game.

Problem solving, pattern recognition and critical thinking skills are all taught and employed along side the basic rules of scholastic chess. Campers also learn life lessons such as respecting a person's intellect over any physical characteristics.

The Montessori Chess Camp staff makes learning chess FUN with variety of daily chess puzzles, exercises and contests. Students will also enjoy playing on the camp's GIANT CHESS SET!

Registration Forms are available for download at:

www.GreatLakesChess.org

Cost is \$80 per student. Make checks payable to GLC, LLC.

See Registration Form for more details.
